BIRTH RECORDS

OF

DEFIANCE COUNTY, OHIO

July 1, 1867 - December 19, 1908

J - M

Fayne E. Harter
Grabill, Indiana
May 1976

It would not be fitting if recognition were not given to former Judge John W. Winn of the Defiance County Probate Court, and to his staff, Rose Brown, Jean Zeigler, and Don Epple (deceased). For all the friendly co-operation given, I can only say, "Thank You All".

To Miss Nellie Gary, Librarian of the Defiance County Libraries, what can one say? This work would never have been completed if it hadn't been for her. I was a stranger, she trusted me, and made pages and pages of copies of the original records. I'm sorry it took so long for me to complete the records--but she always understood. To a delightful friend, Nellie Gary this work is dedicated.

The earliest records were made by doctors, ministers, and sometimes parents. Later records were made by the Assessors of the townships. For recorded birth in other Counties or States, the parents have moved into Defiance County within the year.

There are many obvious errors in the record, but I've copied them just as written. The maiden names of the mothers was not given until several years after the assessors began taking the records--and they were not all the same year. I have omitted the mother's surname whenever there was a number of the same names as the husbands.

New Registration means there never was a birth record and one was established through a Court Order, Correction means errors were corrected in the original record through a Court Order. Information given under the parents names in the Court Order is the age, place of birth, and occupation of the parent at the time of the birth

These are all the records that are in the original Birth Records located in the Probate Court of Defiance County.
